

Canadian
Construction
Association

CANADA'S CONSTRUCTION INDUSTRY.

THE FOUNDATION OF A STRONG,
SUSTAINABLE CANADIAN ECONOMY.

OUR IMPACT

7.3%

of Canada's economy
\$165B annual GDP contribution

7.8%

of all jobs
1.6M Canadians employed

81.2%

of companies with 9 employees
or less

OUR PROGRESS

Infrastructure assets growing at

+2.5%

Productivity up

+1.0%

OUR CHALLENGES

Construction costs
DOUBLED since 2020

Building permits down
5.9% from last year

108,300 positions
unfilled by 2034

24% of materials
now imported

Time and time again, Canada's construction industry has proven its strength and resilience – but it is not immune to economic uncertainty and significant trade disruptions.

Canada's ambitious infrastructure and development goals depend on decisive action now.
