

We are ready when you are!

STAYING SAFE TOGETHER

The health and safety of our guests and team members is our highest priority, so we have in place Sandman PureClean and have partnered with P&G Professional. This program elevates our existing high standards of hygiene and cleanliness so you can book and stay with confidence!

Sandman Hotels, Inns & Suites provides a high quality hospitality experience in the mid-tier range boasting over 35 locations across Canada from coast to coast. We are 100% Canadian-owned and are conveniently located in city centres, airports, and on major travel routes.

STAYING SAFE TOGETHER

GUEST HEALTH & SAFETY

- Disinfected check-in and touchless express check-out
- Plexiglass shields at the front desk
- Limited capacity at fitness centres, pools, and whirlpool areas
- Mandatory mask policy in place for common areas
- Hand sanitization stations at primary entrances and key high traffic areas
- Individual hand sanitizers in each guest room
- Housekeeping services will not be provided unless requested by the guest
- New and COVID-19 safe approach to room-service, banquets, and catering
- All guestrooms are disinfected, sanitized and left vacant for up to 48 hours

OVERALL CLEANLINESS

- A partnership with cleaning experts at P&G Professional
- Sandman PureClean communication in place throughout the hotel
- Additional disinfection of frequently touched surfaces in all public areas
- Reduction of high-touch items from guest rooms
- Increased disinfection of all high touch areas in guest rooms
- New disinfectants effective against SARS-CoV-2 (COVID-19) and other viruses and bacteria

TEAM HEALTH & SAFETY

- Elevated personal hygiene & cleanliness protocols
- Personal protective equipment is provided to all team members
- Team members undergo enhanced training & guidance on maintaining wellbeing
- Daily cleaning inspections
